# Take a Kid Fishing!

The Shimano Take a Kid Fishing Day at Belwood Lake Park is designed to get new anglers involved in fishing, and improve their skills. This event is designed for children ages 8-14 and their parents.

Visit the many educational stations where young anglers learn new skills and try their hand at fishing the stocked trout pond.

Kids learn how to cast, rig lures, tie flies, identify various fish species and their habitats, and how to find and catch more fish. They will also see the latest fishing equipment and tackle in a safe, natural environment.

**The event is FREE for registered participants but park entry fees apply.** (\$3.00 children & \$6.00 adults)

**Participants must pre-register.  
Limited spaces available.**
